

# The Identification Systems Group (ISG) Awarded with a TIPS Vendor Contract

The ISG awarded with its first vendor contract with The Interlocal Purchasing System (TIPS) for photo ID system and safety equipment

## Shawnee, KS (PRWEB) May 4, 2010

The Identification Systems Group (ISG), the nationwide network of local identification system integrators, is an Awarded Vendor in The Interlocal Purchasing System (TIPS) for photo ID systems and safety equipment.

The TIPS purchasing agreement and the ISG can save time and money in the purchasing of photo ID systems and safety equipment. ISG Certified Members and TIPS contract numbers, 8012810 (photo ID) and 1042210 (safety equipment), are ensuring competitive contracts and optimal purchasing power for local, state and federal governmental agencies.

“Our goal, as is our customer’s, is to provide the best solution at the best price,” says Roger Sigler, Executive Director of the ISG.

States covered by the TIPS contract: AL, AZ, AR, CA, CO, DE (schools only), FL, GA, ID, IL, IN, KS, KY, LA, MA, MD, MO, NC, ND, NM, OH, OK, OR, PA, RI, SC, TN, TX, UT, VA, WA, and Washington, DC. “The ISG is honored to be awarded as a vendor with TIPS for photo ID systems and safety equipment,” said Roger Sigler, executive director of the ISG. “Our goal, as is our customer’s, is to provide the best solution at the best price. TIPS works with 29 states on providing state of the art purchasing procedures to insure competitive contracts for all photo ID systems and safety equipment.”

The ISG and TIPS are working together to provide expert advice and support on how to purchase photo ID systems and safety equipment quickly and efficiently while maintaining controls on budgets and accounting practices. Identification Systems Group (ISG) and TIPS maintain credibility and confidence in business procedures by maintaining open competition for purchases and by complying with purchasing laws and ethical business practices.

## About the ISG

The Identification Systems Group (ISG) is a nationwide network of local identification card system integrators, providing high quality, cost-effective solutions backed by the local support and strength of its Professional Services Certification program.
