The Identification Systems Group (ISG), the nationwide network of local identification system integrators, announces its donation to Camp Boggy Creek for Kids in Eustis, Florida. The ISG donated more than \$26,500 to Camp Boggy Creek from its Seventh Annual Charity Golf and Auction event in Orlando, FL on April 28, 2014.

Camp Boggy Creek is a year round camp serving seriously ill children throughout Florida. They offer week-long summer sessions for the children and family retreat weekends for the whole family. There is no charge to come to Camp so they rely on the generous support of individuals, corporations, foundations and

healthcare partners. The Mission of Camp Boggy Creek is to enrich the lives of children who have chronic or life threatening illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe and medically sound.

"We are very grateful to Identification Systems Group for their long-standing support. This gift from ISG provides much needed funding to support children with serious illnesses, since no child ever pays to attend Camp Boggy Creek," said June Clark, CEO, Camp Boggy Creek.

The ISG event team led by Danielle Jorgensen worked with Camp Boggy Creek personnel and solicited auction items and cash donations from its Members and Partners. Danielle (ISG Marketing Manager), Bill Scott (Data Equipment, Member) and Tom Stiles (ISG Executive Director) comprised the ISG event team.

"The ISG wishes to thank its Members and Partners for their generous contributions to the success of our golf tournament and auction," said Tom Stiles, ISG executive director. "We are pleased to give to this wonderful charity that offers seriously ill children an enriching life experience, and look forward to another successful event next year."
