

# Twist-Free Badge Reel

Stays Straight  
and Secure!

# Twist-Free Badge Reel

The patent pending B · Reel™ is the most secure and twist-free reel today. It has a modern shape with new colors and two different clip options—giving you more versatility when wearing it. Available in six different colors and can be customized with either a multi-color or dome label. Features clear vinyl strap for easy attachment to any ID badge.

## FEATURES & BENEFITS

- **Cord extracts from front of reel**  
A more twist-free experience with less friction on the cord, extending the life of the reel
- **Brady Branded**  
Ensures high quality
- **Rotating Belt Clip**  
Less wear on cord for added durability
