SwiftColor™ SCC4000D Oversized Credential Printer

The Digital InkJet Color Printer for fast printing of oversized card materials, like ID cards, event passes, door hangers, parking tags and envelopes

The SwiftColor SCC4000D Oversized Credential printer, offered by the ISG, features single pass print-head technology and prints in beautiful 1200 dpi. It is highlighted by its blazing fast print speed, printing a 3.5" x 5.5" full color card in 2 seconds!

The SCC4000D is a perfect fit printing oversize badges for tradeshows, large events, concerts, music festivals, racing, golf, major sports and stadium special events, parking passes, door hangers, tradeshows, media credentials, college/university events, educational summits, seminars and more. In markets that require printing on-demand, high speed, and high quality - this is the perfect printer for you!

The SCC4000D uses proprietary paper and PVC cards that are unique because they include a special ink receptive layer. These cards have been tested and paired with single pass printhead technology for a perfect print. You can also use additional security features such as UV hot stamp, UHF and custom OVD holograms!
