BadgePass™ SmartReg

Fast and accurate streamlined enrollment and data capture

Key Features

- Drivers license scanning
- Magnetic stripe & PDF417 compatibility
- Customizable special messages
- Hot key output & automatic screen recognition
- Application independent

Reduce the time it takes to enroll users into any system with the SmartReg solution from BadgePass. Simply scan a driver's license and watch as the system automatically populates any enrollment or registration screen in just seconds. Save both time and money by minimizing manual data entry errors and reducing the time it takes to enroll customer information.

Works with other BadgePass modules like Identity Manager, Visitor Manager, Access Manager and Time Manager. SmartReg can help you significantly speed up the registration process for anyone with a valid driver license or other form of accepted identification.
