

# ContourBand® Direct Thermal Wristbands

Color-coded patient  
identification wristbands for  
direct thermal printers

## Key Features

- 4 styles to choose from: ContourBand, Z, AC & Mobile AC
- Options for dual-post snap closures for extra security
- Compatible with ISG mobile printers
- Improves workflow & care in ERs, bedside & during disaster relief
- Format allows for printing along entire wristband length

The ISG provides an entire family of barcode patient identification wristbands and labels, with our direct thermal ContourBand®, ContourBand® Z and ContourBand® AC solutions.

- Compatible with most direct thermal printers
- Contoured wristband shape with narrow strap and wide patient data area
- Soft, lightweight material provides maximum patient comfort and durability
- Unique surface provides seamless printing, high quality imprints, and resistance to water, soap and hand sanitizers
- Large information area for printing text, linear, and 2D barcodes, photo ID and graphics
- Ensures crisp, clear barcodes for easy scanning
- Latex-free and phthalate-free
- Meets the JCNF Safety Goals for improving the accuracy of patient identification and improving the effectiveness of communication among caregivers
- Complies with the guidelines of HIPAA to protect patient privacy and AHA to minimize the chance of lost or transferred data

For more information about ContourBand® healthcare patient identification solutions, related thermal printer models and supplies, contact the ISG or your local dealer.
