HEAVY-DUTY SKI/SPORT REEL

The new Heavy-Duty Ski/Sport reel has a strong and rigid plastic case and comes with two end-fittings. The lobster claw easily attaches to any zipper, and the swivel hook is perfect for annual ski passes. The reel also has a heavy-duty nylon cord that has a reinforced ring to reduce cord breaks.

FEATURES & BENEFITS

- **Two metal hooks**
Easily attaches to a zipper or annual ski pass
- **Reinforced ring on reel**
Cord can withstand up to 50,000 pulls without fraying
- **1 ¼" surface area for a custom label**
Company name or logo stands out
