SwiftColor® SCC-3000 Oversized Event Card Printer

The optimal event printer for fast, easy issuance of beautiful, truly edge-to-edge oversized cards, passes, stickers and more!

The versatile and affordable SwiftColor SCC-3000 Oversized Event Card Printer lets you print high-quality, 300 dpi oversized cards and passes for events of any size. It utilizes the latest media technology to display the true color and saturation of an image. In addition to high-quality color prints, the SCC-3000 prints very fast – about 12 seconds per color card side!

The SCC-3000 also prints highly water- and tear-resistant oversized cards with true edge-to-edge coverage, eliminating white borders and the need for any production preprinting. Applications include event passes and ID cards for sporting events, tradeshows, concerts, clubs, school festivals, VIP passes, and much more!

It also prints on a variety of cardstock including high-definition media, metallic media, sticker media and holographic media. Its dye-sublimation thermal print technology lets you issue beautiful credentials all day long at events of any size.

Key Features
- Fast speed! Prints full-color oversized cards in just over 12 seconds
- True edge-to-edge at 300dpi
- Prints on a variety of media including holographic, high definition, metallic & sticker
- Prints media in sizes 4"x 6", 2"x 6" & 1.3"x 6"
- On-demand for short runs or high volume batches
- No pre-printing required
